

FEEL THE

POWER™

OF A THOUGHT PROVOKING
MEETING SPACE

THE
POWER™
STATEMENT

The Power to surge forward or change
direction without loss of speed,
balance, or body control.

Meeting spaces will become agile
areas for powerful thinking.

The Power Chair™, creating envy
in workplace design.

POWER

HI FLOW + ANTI-SAG
ENDURO MESH

A close-up photograph of a modern office chair. The top right portion shows a black mesh backrest with a fine, grid-like pattern. Below it, a polished chrome armrest is visible, reflecting light. The background is a solid, light grey color. On the left side, there is a large, light grey graphic element consisting of two concentric rounded rectangles. The text is centered within the inner rectangle.
