

# THE SOUL CHAIR

The Soul chair is a meeting and boardroom chair that nicely complements the line up between the Italian collection chair and Rhythm chair.

It features a rocking mechanism with gas height adjustable base.

An elegant sitting piece, comfortable and suitable for lengthy meetings. It can be custom upholstered and is readily available in Tan and Black vegan leather, and charcoal fabric.

Occupant load rating for commercial or office use up to 140 kg.

## WARRANTY

- LIFETIME comprehensive guarantee
- DURABILITY manufactured to exceed international strength and durability standards.
