# LAUGH<sup>®</sup>

## THE BRIEF

Functional. Playful. Affordable.

Have elbow rests and yet still stack.

Space saving, both in use and in storage.

The possibility to create both upholstered  
and wipeable surfaces.

Connectable. Give design choice.

Work in different spaces. Provoke a smile.

Be contagious.

## THE CHAIR

Something that can be enjoyed  
in any space, the world over.

It's contagious, but also universal.

Laughter is the most recognised form  
of universal communication.

Meet The LAUGH Chair<sup>®</sup>.

EVERYONE  
ENJOYS  
A LAUGH

## THE STACK

Having a Laugh reduces mental tension and increases energy, enabling you to stay focussed and accomplish more.

The LAUGH Chair<sup>®</sup> accomplishes more workspace efficiency through its space saving design and easy storage capabilities.
