

THE RHYTHM CHAIR

Rhythm inspires us to reach our full potential and keep driving workplace success. The fluid lines of aluminium curve rhythmically revealing a refined silhouette.

It is inspired by movement, pace, progress and achievement. The fluid lines of the aluminium armrests curve rhythmically around the high-grade leather body. Designed for elegant boardrooms, meeting spaces or as a high-end executive chair.

- Designed to support and inspire provocative business thinking, the Rhythm is a strategic operator's or meeting space chair
- Elegant slimline aluminium frame detail with twist design armrests
- Leather backrest & seat, with armrests for workstation, premium management or meeting room use
- Very comfortable & supportive with prestige synchronized tilting mechanism
- Genuine premium cowhide upholstery
- Rated 150kg for office use
- Lifetime Guarantee
